what is theft protect?

According to a study by the Insurance Information Institute, a vehicle is stolen every 40 seconds in the United States. And what's worse, it costs the owner an average of \$7,500 per theft. It's not just your car they are after, it is your belongings and potentially, your identity. With Theft Protect, your car is protected and so is your hard-earned cash. Theft Protect etches a unique number on 6 of your glass surfaces making it worthless to thieves.

Additionally, each vehicle protected by Theft Protect has a warning decal on the windows alerting would-be car thieves that your car is protected.

You can stop thieves in their tracks with Theft Protect.

theft protect permanent glass etching.
